

## 2021 Moxie Award Announces Winners

OCTOBER 14, 2021

*Fifth Annual Event Celebrates Boldness In Business*

The **Moxie Award** announced 16 deserving DC area businesses and organizations as 2021 winners last night at the Moxie Award Ceremony & Dinner, a celebration of **Boldness in Business**. These 2021 winners were honored among 125 finalists for making a difference in the marketplace with their bold initiatives, strategic market

moves, and *moxie*. More than 300 business leaders attended the event, held at The Ritz-Carlton in Tysons Corner.

"Over the five years since the Moxie Award began, we have received hundreds of impressive award entries from the DC area's most innovative companies. 2021 was no exception, and especially over the last year, many companies demonstrated how much *moxie* they really do have," said Moxie Chair **Katie Jordan**. "After careful review and evaluation by a panel of third-party judges, this year's 16 winners stood out among their competition for demonstrating exemplary innovation, growth and resilience, industry leadership, community service, and local achievements."
